

## **17<sup>th</sup> May Floral Design Workshop**

**10.30am - £50 per person**

### **At The Barn Plant & Garden Centre Stanway**

Floral Design workshop, encouraging the development of individual style.

Texture and movement are central to successful flower arranging, every flower is a different shape and working with this in mind gives you the guidance to create beautiful, free flowing and yet well designed arrangements.

Charlotte Speculo has been a floral and interior designer for 12 years. Teaching you how to understand this concept using old and new techniques mixed with an eye for detail and colour, you will be able to create a wonderfully designed arrangement for your home.

2 Hour workshop

Bring your own scissors/secateurs and a container of choice

An apron and gloves if you get messy!

Flowers are supplied and you get to take your arrangement home.

For more information or to book please contact Charlotte Speculo
